

Millennium 3000 Support Notice

Due to a world of ever changing complexity in technology and our desire to provide the best support possible for our customers, we are announcing that as of **Oct 1st 2008** we will be dropping support of Millennium 3000 and phone support for any hardware or software purchased before 2001. If equipment repairs are necessary, we will be glad to continue repairs to the best of our abilities, if parts are available.

With this announcement we are making available to our customers that have purchased Millennium 3000 a discounted upgrade price of \$999 to ClassPLUS. This discount will only be available until **Jan 31, 2009**. If you do wish to take advantage of the discount please use promotion code **M3KCLP**.
